SETTLING INTO ITS STRIDE

LONG WINTER MEETING AT JUAREZ HAS NOW BEEN FAIRLY LAUNCHED.

Conditions in Northern Mexico Hold Out Assurance That Sport Will Not Be Interrupted by Revolution-Gossip from Mexican Course.

El Paso, Texas, December 6.—As satisfactory as was the opening of the present winter meeting of the Jockey Chib Juarez, it has turned out, taking the days of racing since as a fair sample, to have been but a forerunner of what is in store for lovers of winter racing during the next few months here. The many horses now quartered at the Juarez course in superb racing condition, with a track to race over that is simply ideal, insures that one sided contests will be a rare occurrence here during the meeting of the state of

year-old. Bob Hensley, is by the latter sire, as is also Dally Waters, a winner of three races as a unvenile performer this season. Rapid Water is now 12 years old. He was racing in winning form as late as 1910, when he was nine years old, Bob Hensley and Dally Waters are the first of his get to race. Blues is the oldest sire at the Jones' farm, this son of Sir Dixon being now 15 years old. Wade McLemore's famous race mare, Meadow, is looking unusually well here this winter. She failed to prove in foal after being mated with Fayette, a son of Ogden and Saratoga Belle, last spring, and this caused her trainer, T. B. Munford, to decide to race her again. She will be kept in training all winter and Mr. McLemore has about concluded to ship her to Kentucky next spring, and this caused her with Uncle, the sire of Old Rosebud and Little Nephew. Meadow has won nearly fifty races so far. Mr. McLemore has a fine yearling brother to Meadow at the Juarez course and both he and trainer Munford think he is the best foal Dolly Hayman ever produced. He has been named Hay.

As Hodge has had a long campaign and won fifteen races this season as a two-year-old, the gelding's owner, Kay Spence, has decided not to race him again until about the middle of February. He will then let him start in an overnight race to key him up for his engagement at Paiarez in the St. 500 Chapultepec Stakes. Spence intends to give him this early racing the coming year to fit him for his Kentucky and Latonia Derby races next spring, in which big stakes he will be entered, as well as in other similar events of next year at Saratoga and on the Canadian courses. As Henry Ritte and Maria C., owned by W. F. Knebelkamp, of Louisville, Ky., also in Spence's stable, have been under the weather a bit since the Latonia meeting, neither will be raced here early, but will get a rest until after the New Year.

J. J. Ferguson of Seattle has five maiden two-year-olds in his big stable at Juarez by the young Sain sire, Castine, none of which in fact has ever raced. The

Mexican course, while Enfield has a record to date of 50 winning races.

Al Kirby, who has J. B. Respess' string in training here, may take charge of William Gerst's big stable upon his return to Kentucky next spring at the close of the Juarez meeting. The Nashville turfman and Kirby have had some correspondence upon this subject and it is more than probable that when they meet again they will quickly come to terms. Mr. Gerst has had no regular trainer since the untimely death of George Ham. His horses are all now resting at the Gerst farm near Nashville. He

RECORD OF THE LEADING AMERICAN STABLE OF THIS YEAR

With the end of the Jamestown mecting came the retirement of the H. P. Whitney horses from racing until the campaign of 1914 shall call them into action again. Twenty-three horses raced in Mr. Whitney's colors this year and to such excellent effect that he is easily the leading winning owner of 1913. Nine of the twenty-three, including Iron Mask and Prince Eugenc, were sold to other owners in the course of the racing season. The star of the stable was the great racer, Whisk Broom II., which unluckily broke down, but not until he had cut the record for a mile and a quarter down from 2:02½ to 2:00 and made another record as the only winner of the Metropolitan, Brooklyn and Suburban handicaps. The Futurity winner, Pellant, proved himself a two-year-old of great speed and promise and Black Broom was another two-year-old which raced with distinction. Formidable as it was this year, the Whitney stable will probably be even stronger next year because of being reinforced by such celebrities as Borrow, Meeting House and others brought home from England. Its record for this year is:

will have more than 30 horses in training to campaign over the Kentucky tracks and elsewhere next season. Kirby, who is a capable man with a horse, was a life-long and intimate friend of trainer Ham and Mr. Gerst is well aware that Ham and Kirby frequently advised each other as to the best way to train certain horses and their united opinion generally worked out well in results.

PAN ZARETA EQUALS AMERICAN RECORD.

Newman Filly Runs Five and a Half Furlongs 1:01% in Winning Handicap at Juarez.

El Paso, Tex., December 6.— J. F. & H. S. Newman's consistent Abe Frank filly, Pan Zareta, figured in a sensational performance at Juarez today. In winning the five and a half furlongs handicap that served as the feature of the card, she equaled the American record of 1:04% for the distance made by J. N. Camden's crack two-year-old, Bringhurst, at Churchill Downs last fall.

Pan Zareta's performance was by far the more notable because she carried the heavy impost of 123 pounds and won, with jockey Kirschbaum, her pilot, easing her up. It naturally follows that, had she been extended in the last part of the race, she would have reduced the American record to a considerable degree.

The Juarez track is in perfect condition at present and Pan Zareta's feat of today probably is simply the forermaner of some record-breaking performances in the near future.

Harding H. Field, of Mexico, Mo., has arrived for the meeting. He and his brother own a string of horses in training at Juarez in charge of J. A. Seckington. They also own the breeding stud of the late C. L. Harrison, being nephews of that noted turfman, who in his lifetime raced Waldo, Housemaid and other cracks,

News has been received from Henry McDaniel, who has a string of a dozen horses in training here, that his wife is much improved. He did not say, however, when they would be able to leave New York to return here.

The stable of W. J. Dunn has arrived from Montana. His string includes Thistie Belle, Tight Boy and Parlor Boy. They are being trained by J. Nattress. The stable of C. Martin has also arrived from California. His horses include Gaty Pallen, Tellurium and Barium,

BEVERWYCK STABLE'S FILLY BEATS JOHN FURLONG IN CHARLESTON FEATURE.

H. G. Bedwell Captures Half the Palmetto Park Card with Hearthstone, Brave Cunarder and Elwah-Deronde Pilots Four Winners.

Charleston, S. C., December 6.—The Argyle Handicap, one mile and a sixteenth and worth \$1,500, which featured a good program of six races at Palmetto Park today, was won by the Beverwyck Stable's Ringling in commanding fashion over the odds-on favorite, John Furlong, with Carlton 6. third. G. M. Miller and Lochiel were the other contestants in the race. Because of a recent excellent trial, John Furlong was thought to have the stake at his mercy and was supported extensively. He suffered considerable interference on the first turn, but it is doubtful if he could have taken Ringling's measure this afternoon with everything favorable.

turn, but it is doubtful if he could have taken Ringling's measure this afternoon with everything favorable.

H. G. Bedwell's representatives and jockey Deronde figured extensively in the afternoon's results.

Members of the Colorado turfman's establishment
accounted for half the card and the three Bedwell
winners were ridden by Deronde. The latter also
piloted Bat Masterson to victory in the second race.

This apprentice jockey showed excellent horsemanship and to his skilful riding was due the success
of Hearthstone in the opener and Elwah in the
final dash. In the first instance, Pike's Peak was
best, but the inexperienced Randolph could not do
his mount justice when it came to the final drive.
Toddling would have beaten Elwah with less eneretic handling for the latter. Deronde's other success was scored on Brave Cunarder, which beat
Miss Gayle in a drive for the purse in the twoyear-old handicap at five furlongs.

The A. Weber stable suffered its second run-up of
the meeting when Counterpart, favorite and heavily
backed, accounted for the fifth race over Colonel
Cook and Duquesne. The winner was entered for
\$1,300 and was bild up to \$1,500 by William Walker.
Counterpart was retained. The run-up was probably
timpeded Duquesne on the stretch turn, which caused
Ward to claim foul against the winner, but the
stewards took little cognizance of the matter. Keogle
on the other hand made the grave accusation that
ward had deliberately forced him wide while going
down the backstretch and that Scharf on Napier
with a party to the action by having called to Ward
to do so. The stewards will look into the matter.
Today's attendance was probably the best of the
ancient and the betting also showed improvement
over former days. The layers again had an unprofitable experience on account of the extensive
support all the winners received.

W. P. Spurgeon, a well-known Washington, D.
C., newspaper man, was among today's visitors and
he will remain here for some time to enjoy the sport.

The mare Miss Jonah, which was stricken with an attack of lung fever after her arrival from Norfolk, died this morning. A number of other horses are on the ailing list.

Amos Turney was an arrival from Kentucky. Seen a couple of horses here in J. S. Ward's charge and will remain until the holidays before returning north. Mr. Turney will start the season next year with one of the largest strings he has ever campaigned. Horron and Kleburne are wintering well and promise to come back to the races next spring in splendid shape.

Jockey Joe McCahey wired that he would arrive here next Monday. Trainer Frank Herold will look after his engagements here this winter.

P. Nicholson, of Toronto, joined the ranks of the layers at Palmetto Park this afternoon. William Beverley will probably cut in on Monday.

The improving track accounted for some good work-outs this morning. Among the best were:

Among King George's yearlings, which were n long ago sent to Egerton House training stabl from Sandringham Farm, are several which are sa to be of more than ordinary promise. This is t well-considered opinion of one of the best judg in England, himself a trainer of two Derby winner Looking them over recently, he told trainer Mar that he would like nothing better than to have few of them in his own stable.

that he would like nothing better than to have a few of them in his own stable.

Thomas Welsh, who has been training the French string of Joseph E. Widener, of Philadelphia, has come home for the holidays. Mr. Welsh was a visitor at The Jockey Club offices a day or two ago eager to ascertain what plans were afoot for the 1914 racing, and evinced a lively interest in the prospect of racing coming back on a firm footing in New York State. He said that many of the Americans abroad, though prospering, would much prefer to be home, with the sport back to its old-time prosperity.

An evidence of the increased interest that army officers have taken in racing during the last few seasons is had in the present rules of racing. For the convenience and accommodation of the officers an amendment was made to Rule 92 which stipulated that a horse should not be qualified to run in a race with more than five pounds overweight. The amendment consists in this qualifying condition: "Except in races confined exclusively to horses to be ridden by officers of the United States Army, Navy, National Guard or amateurs."

NEW BLOOD FOR HURRICANA STUD.

New York, December 6.—Cable dispatches announce that John Sanford is on his way home from France and that he predicts a racing boom due in New York state. Mr. Sanford also gave out the information that he had made a number of purchases of thoroughbreds at Deauville that would eventually find their way to his Hurricana Stud at Amsterdam, New York. When Mr. Sanford went abroad it was the generally accepted belief that he intended a campaign on French courses, but now it would seem that his purchases were principally made with a view of replenishing his stock of broodmares at Hurricana. He purchased filles, and while they will doubtless be raced abroad he intends to eventually bring the best of them to this side of the Atlantic. E. J. Albright, who has trained the Sanford horses for the past few seasons, has written that the crop of yearlings at the Amsterdam farm this year is particularly promising, while the weanlings are an exceptional lot. Mr. Sanford has made several nominations for the stakes of next season and it is evident that even should he race abroad he will always retain his close interest in the American turf. His father, the late General Stephen Sanford, remained steadfastly loyal to the American turf in all its troublous times and the present master of the farm will follow in his footsteps.

SOMETHING NEW FOR DELICATE FEEDERS.

According to "Deutscher Sport" a preparation called "Lavocat" has been used with wonderful results by trainers of thoroughbreds in Austria-Hungary during the past season. The preparation, it is stated, had been used in the French army for years and had also been extensively adopted in the Austrian army and by big breeding studs for foals and yearlings prior to its becoming the vogue in racing stables. The preparation is for poor feeders, whether from constitutional causes or from overwork and it is a wonderful pick-me-up and restorative, according to our contemporary. It contains nuclein, composed of much iron, phosphorus, magnesium and calcium, extracted in the form of flour from plants, and is evidently a powerful tonic. The question is, would the Jockey Club class it as a stimulant?—London Sportsman,

AMERICA'S PREMIER CLOCKER. Formerly Racing Expert for the Denver Post

Are YOU Ready? I AM!

NOTICE—As I stated before, I am in Juarez clocking horses for my many clients. This is the chance of your life. I am at the track myself, do my own work; no handleapping or guesswork with me, but genuine information obtained by personal supervision of horses and a special knowledge of their condition at the time they race. The stable money is bet on those I give. I am next to some that are cherry ripe and will get the money at good odds. This information cannot be purchased with money alone. It takes influence and friendship of years standing. The opportunities I am giving you could not be obtained by you personally for any sum of money. I have been at the business for twenty years, owner, trainer and clocker. I don't sit in an office guessing for you. QUIT DOPING THEM UP. I am on the spot ready, alert, and nothing that will benefit my subscribers escapes me. No hour is too early or too late for me to look out for the interests of my subscribers, and that is why I keep them; they know that in me they have found a man that gives them winning information. I will prove, show and convince you that I am the peer of anybody. Have a clocker of your own. You can employ me for \$10.00 for any ten days of this meeting, Propositions not considered. Strictly cash only. Old code no good; get new code at once. Telegraph remittance or remit by express order. I wire one or two horses daily at 11 a. m.
